

Books that inspire and help you to learn what makes a good photograph

Better Picture Guide Series by Michael Busselle

Individual photographs accompanied by technical details and the photographer's thoughts on his "Seeing, Thinking and Acting" to produce each image.

Flower & Garden Photography

Still Life and Close-up Photography

Landscape Photography

Center for Nature Photography Series by Allen Rokach and Anne Millman

Gardens

Flowers

Landscapes

The Seasons

Photographing Plants and Gardens by Clive Nichols

Learning to See Creatively by Bryan Peterson

I received my photographic training from Nature Photographers

My main mentor was Rod Planck - www.rodplanck.com

Favorite Book: Nature's Places

His teacher was John Shaw - www.johnshawphoto.com

Favorite Book: Closeups in Nature

Enjoy!
