RE: VNT123456789 - Notice to Destroy Noxious Weeds

15 July 2009

Dear landowner,

You are hereby officially notified to destroy the noxious weeds growing on your property throughout the growing season.

Wisconsin Statute 66.0407 Noxious weeds:

- 66.0407(1)(a) "Destroy" means the complete killing of weeds or the killing of weed plants above the surface of the ground by the use of chemicals, cutting, tillage, cropping system, pasturing livestock, or any or all of these in effective combination, at a time and in a manner as will effectually prevent the weed plants from maturing to the bloom or flower stage.
- 66.0407(1)(b) "Noxious weed" means Canada thistle, leafy spurge and field bindweed (creeping Jenny) and any other weed the governing body of any municipality or the county board of any county by ordinance or resolution declares to be noxious within its respective boundaries.

If the weeds are not destroyed within five (5) days of receipt of this notice, it becomes my duty to cut the weeds and the cost shall become a tax on the property, to be paid upon billing. Thank you for your cooperation.
